# e-pro® CAT

# **e-proCAT** – Electronic Catalogs and Classification

**Electronic Catalogs in:**
BMEcat, GS1 XML, IDEA XML

**Classification:**
ECLASS, ETIM, UNSPSC

e-pro®CAT

# How you benefit from e-proCAT:

e-proCAT provides you with universal support for all your challenges, regardless what you need to do with electronic catalogs:
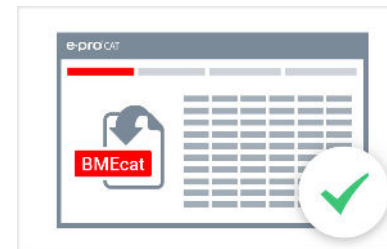

» **Creation** of electronic catalogs in BMEcat, GS1 XML or IDEA XML formats

» **Convenient management** of electronic catalogs and product data

» **Examination and troubleshooting** of electronic catalogs in BMEcat, GS1 XML or IDEA XML formats

» **Classification** of product data according to ECLASS, ETIM, UNSPSC, GPC and more

» **Testing of classifications** (incl. features): ECLASS, ETIM, UNSPSC, GPC, and more

» **Comparison** of electronic catalogs (e.g. of catalog versions 2023 vs. 2024)

» **Extraction** of electronic catalogs as CSV for digital marketplaces, shop systems, PIM or ERP

» **e-Procurement support** for implementation of digital procurement processes

## All e-proCAT solution packages at a glance:

### e-proCAT CLASSIFIER
**Classification made easy.**

The license for users of ECLASS or UNSPSC. The export function is CSV.

### e-proCAT GO
**Go and get started!**

Our GO version is the cost-effective icense for easy BMEcat catalog creati-on, editing and validation.

### e-proCAT CLASSIC
**Our Classic.**

Advanced BMEcat management. Mix catalogs, create partitioned catalogs, manage prices. And much more!

### e-proCAT PROFESSIONAL
**Our topseller.**

The license that covers everything! All formats, all classes. Includes feature capture. For manufacturers from the electrotechnical industry, HVAC or construction and fittings industry a must!

All versions of e-proCAT are able to convert BMEcat files into CSV files.
